

Paddy's Prattle

There is a 4 way tie on 42 points after the first round of the Property Brokers Shootout qualifying. Shootout virgins Lucas McGee and Robert Pawsey, set down good markers and may well find themselves in the final come January 27th. Not sure if they know what they are letting themselves in for. The other two leaders, definitely do know, with the champ from 2 years ago Gaby and serial hard luck story Greig having another pop at the title. It looks like it is going to be another great qualifying season with 40+ pointers flying around, a some top golfers not yet entered - it's gonna be a belter!

This Saturday we have our Christmas Salvagers up for grabs. Thanks to our wonderful friends at Radius Care we again have over \$500 of Christmas cheer and healthy snacks on the prize table, like bottles of gin and chocolates. It is an individual stableford game, also a shootout qualifier. Come on down and bring your "A" game.

We are giving Matt a rest from his starting duties this Saturday, so just give your money and filled in scorecard to the Yorkshire santa (no padding required) and we will be doing a card draw for a 12:30 start. Should be a great day.

Don't forget Shootout qualifying goes on every Saturday throughout the Xmas and New year period. A good chance to burn off all the over indulgence.

One last note: the Jolly Boys are having their annual Weedons trip on the 27th December . If anyone fancies a fun filled day out. Just see me on Saturday for more information. We will get you there and back home safe, (eventually).

Good golfing
