

Paddy's Prattle 13 July 2021

A beautiful day last Saturday saw a good field take to the Brandon. The top two games were the finals of the president trophy and plate. Richard McKernan must owe me a beer after tipping against him every round he carried on his great form beating Josh Coyle in a pulsating trophy final, and Barry Jury snuck ahead of Dave Hampton to lift the plate. Well done to the winners and everyone else who took part.

In the stableford round, the scores were a bit down on last weeks but Gaby Jansen led the way with a solid 38 points just pipping a gaggle of others on 37.

This Saturday we have Round 4 of club champs qualifying. Stroke round off the blue tees. It is also an **RMF Silva** cup scoring game and the grading round for the club champs. So whichever grade you are in after Saturday's game is the grade you will stay in right the way through the champs.

Get yourself down to the course and give it a bash. Good luck and good golfing .
