

## **Paddy's Prattle 13 October 2020**

Stand up Stewart Dunlop, he followed last weeks impressive net 68 with an even better 67 on Saturday to pick up this years DCL cup by a runaway 5 points. New member Al Jopson did his best to reel him in with the days best score of net 65. Other top scores came from Gav Douglas, Tuffy Sa, Seb McMillan and Frits Senekal. Well done to all players.

There have been some big movers on the RMF Cup leaderboard. Old lefty will be getting a nose bleed from sitting on the top with 41 points, one clear of Chris Lovelock and two clear of Steve Mc and Hoppy. We only have one more qualifying round to go before the top 30 cut is made, which is the pairs best ball on the 31<sup>st</sup>.

The top 30 will then be re allocated points, top player getting 30 points and 30<sup>th</sup> place getting 1 point. The first finals game is the Barnett and Bermaline Cups on the 7<sup>th</sup> Nov. Points will only be awarded to those top 30 players, with 15 points to the best score of the group down to 1 point for the 15<sup>th</sup> and none for the rest. We will then do a top 20 cut for the grand final which is the Santa Maria Cup on the 21<sup>st</sup> Nov. Hope it all makes sense, best way is to turn up and score well and it will all take care of itself.

This weekend we have the Ladies South Island Inter Provincials on at the Brandon, so we have no organised golf. A group of us led by Captain Terry are heading away for a mystery bus trip to join in another clubs' game day. If you are not on the trip, please pop down to the course and cheer on our local ladies and watch some great golf. The South Island men's is also being played this weekend at St Clairs. Congratulations to all the Ashburton players selected. Pauline Bell, Sharon Bradford, Vicki Moore, Jeff Hewitt and Dave Morrison.

See you around the course. Good golfing
