

Paddy's Prattle 17 August 2021

What a weekend to be bashing a ball around the course. Young Seb McMillan again showed that he is going to take some beating in this year's intermediate champs. He topped the table in round three of the Brandon cup with a superb 39 points. He certainly is one to keep an eye on, great golfer and a smashing young fella.

After three rounds of the Brandon cup, a smashing older fella stood proud on the top of the podium. Greig Sparrow picked up the trophy with a combined score of 109, 1 shot clear of Jeff Hewitt and 2 clear of Gaby Jansen. Well done to everyone.

This Saturday we have round 5 of Club Champs qualifying. Have a look at the grade tables and see what you need to do to get into the top 16. Remember if you are not available for all of the rounds, please as well, then let Matt know so he can take you out of the draw.

Last Sunday we had 2 big pennants games. In the scratch grade, I am not sure who is in which team but by all accounts. Blair snuck past Owen, Jeff beat Dave, Hoppy and Hamish battled out a draw and Terry overcame Craig well done boys.

Then in the big grudge match, it all started so good for the pups Dylan just got over Spud, Tom and late call in Davo had a great game for a half, so after the first 5 points were in the pups were 4:1 up. Then Bruce taught Young Blair the rabbit and tortoise fable, smashing him 4 up and Gaby trounced all over Jordy. Then in the final fourball Captain for the day Tim absolutely snotted young Sean 7/6 and Perry talked young Jim into giving 3 metre putts and beat him 2 up. When the dust had settled it was the Vision Insurance young pups 4 and the Brandon bulldogs 13. I am not really sure where captain Tom goes from here.

The next round is in two weeks, and I don't think half of his team will be out of surgery by then. Hopefully the mental scars will not be too deep. Till next time good golfing.
