

Paddy's Prattle 20 July 2021

I hear the course was set up nice and tough last Saturday. It was round 4 of club champs qualifying, and the round that the grades got settled for the knockout stages. Young Matt Tait led the way with a great nett score of 67. Five under off the Blue tees is a great effort. He was 3 shots clear of second place which went to Rob Coyle on countback from Darren Peace. Its good seeing Daz keeping the Yorkshire flag flying at the club during my absence.

Craig Bain and Terry K shot nett 71's and there were many others at level par. I had a look on NZ golf at the grades, not sure if they are all correct but they seem to be taking shape. With one qualifying round to go Jeff Hewitt leads the Seniors grade with Owen, Robbie and the Hopster making the top 4. Ross Chatts, young Jordy and Arkright lead the way in the Intermediates. Matt Tait, Jim Mc, Davey Hampton and matchplay king Ken are looming large in Junior A. Jamie Stone, Stu Dunlop and George Brown will be the ones to beat in Junior B.

The final qualifying round will be on August 21st. All the grades will be posted well before then so you will know exactly what you need to do in the final round to make the top 16, and remember if you are not available to play every round of champs matchplay and the plate then please let Matt or Terry know so you can be removed from the draw.

This Saturday we will be playing another round for the **RMF Silva** cup, pop along and snaffle yourself some points for this great tournament and see if you can end up with a club sub for next year thanks to our great friends.

That will do for now, see you around, good golfing.
