

Paddy's Prattle 27 April 2021

Quite a few people must have been away for the long weekend, as the playing groups both days were a bit on the low side. The scores, however, were still top notch. The best of the foursomes on Saturday went to Gordy Crawford and Shane Beaven with a great effort, posting 67.5, a couple clear of Tom Blacklow and Matt Tait. The best of the mixed pairs and winners of the AM Bruce cup were Wendy and Eric Parr with 73 - well deserved to wonderful supporters of our mixed golf days.

On Monday we had our annual Battle of the sexes Baker Trophy, again, not a massive field, but some good scores. Visiting Mayfield superstar Logan Tasker led the way with a super 39 points, just pipping his sister, Hilary Lovett on countback. Men took out the rest of the top prizes with Perry Hunt and Paul Greer to the fore. Then in line with Einstein's law of action has equal and opposite re-action - the men also had the worst scores, we won't name names, but Ross, Davo and Terry you know who you are. When all the scores were averaged out the Ladies snaffled the trophy by 0.09 of a shot. Well done ladies.

This Saturday we have the Murray Webb trophy best ball pairs stroke. This has RMF Cup points on offer and is also the qualify for the Watson Cup, the clubs' major pairs competition. Top 16 pairs get into the Watson cup, which then runs in knockout form for the following 4 weeks. Grab your partners, make sure you are available for all the rounds and get your names in. good luck.

This Sunday we have 6 men's teams in pennants action. The Top guns have a double header down at Levels, we have 2 teams in the Holmes this year, so hopefully a good year is in store. Terry and the Redpath boys are at Point starting their season off. Shane's team will be going all out to continue their fine form in the Alex grade, and in the Pattison grade Tom's pups and Paddy's old dogs are both at Gleniti continuing their battle. Results and stories next week.

Till then, good golfing
