

Paddy's Prattle 3 November 2020

Just a quick catch up this week, from the Jolly boys tour. Writing this after a great full day of golf - 27 holes at the wonderful Millbrook course in Arrowtown.

News from the club that has been sent to me is that a big field played in the four ball best ball pairs and that Murray Moorhead and Ivan Blain shot a great nett 62 as did Murray Wackrow and Paul Greer. Well done to all four.

Putting all the scores into the RMF Silva league table we finish with 3 players on the top of the pile. Steve McCloy, Dave Morrison and Gav Douglas all sit as joint leaders and will now have 30 points each for the finals series. We then go down to a tie at the bottom with Jeff Hewitt and Sean Strange in joint 30th picking up one point each. We will only be looking at these boys from now on in the RMF Silva cup when we play this weeks Bermaline and Barnett trophies. The best score of these boys will get 15 points, second place gets 14 right down to 15th place getting one point and the rest get nothing. Count backs will be done to sort out positions. After this round we will do another cut of the top 20 for the final game.

I hope this all makes perfect sense, but we have all had a big day and I had a win so am celebrating well. Top player so far is Perry closely followed by Gaby, with old spud struggling at the moment. Jacks Point tomorrow can't wait.

See you around. Good golfing
