

Paddy's Prattle 30 March 2021

I was away again last weekend, so a bit out of the loop, but I see that George Brown kept his train firmly on the tracks to pick up first place in the Pro shop Trainwreck stableford with a superb 40 points. Davey Hampton, Eric Parr, Phil Kerr and Al Jopson all had strong rounds of 38 points and Hamish Niles got himself a couple of two's on his way to 37 - so well done to everyone. It seems that Tony Neil may have to re take his train drivers test after picking up the prize for most wrecks, but I think all in all everyone had a great day and supported our wonderful Pro.

As of writing I do not have the full results from the Tinwald 3500, but have been told by many people that it was a wonderful tournament, very well run and great fun. I did see on Facebook that mother and daughter dynamic duo Bev Chinn and Wendy Bruce picked up the top ladies prize, great effort girls.

The Brandon boys showed that it is always much better to be lucky rather than skilful when, after playing like hackers on Saturday, managed to snaffle a horse in the Calcutta and ride them home for a nice little pick up.

This Easter weekend we have a couple of mixed days at the Brandon, on Saturday we have a Greensome game, with Family pairings going for the Keig Cup and other pairings after the Coasters Trophy. Make up your own pairs or just pop along and Matt will sort you out, and he has a great knack of putting top teams together.

Then on Monday we have an individual stableford Turkey trott. If you are not heading away for the long weekend, come on down and join in the fun.

Till next time good Golfing
