

8 January 2019

Young Matt Tait had a good day on Saturday top scoring with 41 points in the summer stableford. Matt isn't in the Property Brokers shootout but I dare say he could have got good money for his points if a proxy player was allowed. The big mover of the weekend was Mr Property Brokers himself, good old Hamish bagged a great 40 pointer which should see him safe in the final and I'm sure he will be a handful in there. At present we have 76 points as the cut off with countback deciding who is in and who is out. With one round to go I think the 77's look fairly safe but you never know, there are still quite a few with one 40 plus pointer but nothing to back it up. The final round is this Saturday after which the final 19 will be sorted. A form guide will be circulated soon after then we will have an auction Saturday week after opening day with the final on Sunday 27th. Should be great fun.

Coming up on Saturday February 2nd we have the Brandon Open 36 hole stroke tournament, this is open to all affiliated golfers from any club. This year we have this sponsored by Hydraulink Mid Canterbury so we will have some great value prizes on offer.

Full details of this are on the website as well as information and entry forms for the wonderful 2 day Harvey Norman Classic. It certainly is a very busy time at the club and if anyone can spare time to help in any of these great tournaments please get in touch.

Good golfing
