

## **Paddy's Prattle 8 March 2022**

Last Saturday the sun shone in the afternoon, which seemed like the first time in months. A good crowd turned up to play in Matts Segs Golf Tourney. You could choose your tees, but you were not allowed your driver. Most fellas stayed off the usual white tees, not taking a big handicap cut to move up to the reds. Perry kept getting it wrong as he chose the Whites, then carried on playing his second from the reds. Still the free beer tasted nice.

Top score of the day was John Fechny with +12 points in the International stableford. Second on +10 was Shaun Hope on countback from Brian Fauth and Greig Sparrow popped in with a +8. Steve Richards managed to get the pleats on his skirt sorted as he won the longest drive off the ladies tees, and Pat Turton picked up a nearest the pin on number 4, but there was no mention of him in the two's, by all accounts it was a tap in four. Good fun as always. Thanks Matt.

This Saturday we have round 2 of the Brandon Cup a three round combined stableford competition. Eric Parr and Tommy Blacklow were the big scorers in round one. The whole week is sponsored by the Midlands group, thank you all very much. Brandon round 2 is also a Points round for the RMF Silva cup, pop along and give it a nudge.

Alongside the normal golf we also have a challenge match. The young pups and the old dogs are both in the same pennants league, and an argument came up around who should be Ash "A" and Ash "B". Now obviously the old dogs should be "A" as they absolutely smashed the pups last time out, but as we all know, little boys can through big tantrums, so after much crying, foot stomping and thrashing around on the floor, the very gracious old fellas agreed to a challenge match. Captains Dylan and Paddy have selected their top 6 players and they will face off during the afternoon round on Saturday. If anyone knows of any state registered nannies who may be available at the weekend can they please ask them along, because after another spanking the pups may get a wee bit grumpy and not want to go to bed!!

Catch you around the course. Good golfing.
