On Tuesday night Bruce Leighton emailed me to let me know that he was accepting it was time to put away his clubs after 60 odd years. It was a sad time for him and us 9 Holers who have enjoyed his company, stories, jokes and support over many years. We were honoured that Bruce came and said farewell to us after our game on Thursday. The cake, the cuppa and stories were enjoyed by all as we wished Bruce all the best with his bridge and putting his feet up to watch golf. Bruce did say you are welcome to pop in and see him.

This Thursday is the last we will be teeing off at 10:30. From 3rd September arrive at 9:30 for 10:00 start.
