

## **Paddy's Prattle 8 December 2020**

The Pro shop day last Saturday was well supported when we played an International stableford. The quirk in this, is that you can lose stableford points if you have a bad hole. This writer is all over those bad holes and snagged himself a -16 points. Before the game we reckoned zero points would be a decent score, and it certainly was, but a few golfers were on fire. Dylan Stoddart led the way with a very impressive 18 points, 6 points clear of Jakobus and the Hopster. It was a great fun day, with the morning players getting in before any of the weird weather kicked in. Thanks, Matt, for another great day, we certainly are blessed to have such a hard working and involved Pro at the club.

This week we turn to the **Radius Care Xmas Salvors**. Men's and Women's individual trophies to win. Stableford round, with \$500 of Christmas cheer up for grabs, thanks to the lovely people at Radius Care.

While you are there on Saturday you might as well throw your name in the Shootout. Yes, it's that time of year again. One of the clubs' favourite and most followed tournaments. Dates for this season are 5 qualifying rounds December 12<sup>th</sup>, 19<sup>th</sup>, 26<sup>th</sup> then January 2<sup>nd</sup> and 9<sup>th</sup> with the final on Sunday, Jan 24<sup>th</sup>. **Property Brokers** have once again come on board to sponsor this, so we can once again offer the overall winner a free club sub for 2021.

Many thanks to Hamish, Karen and all the great gang at Property Brokers. Entry fee is a one off \$10 this needs to be paid before your first round. You only need to get two rounds in, or you can play all five. The top 19 two round scores qualify for the final. I think everyone knows the format by now. Just know, if you are of a nervous disposition then maybe the first tee in the final is not the place for you. Its great fun and a great spectacle.

With the Radius Care salvors and Property brokers qualifying, I reckon this Saturday will be a very full field. Come along and give it a nudge.

Notices. Tonight (Wednesday) at 5:30 we have a meeting in club house about next year's Interprovincials, everyone welcome, and on Thursday we have our AGM, come along, and have your say.

See you around Good golfing
