Family Team Golf

How does Family Team Golf work?

Teams of four (2 Adults and 2 children 15 years and younger) play in a fun, fast, Ambrose, six-hole format on a shortened golf course. Everyone can use the 'It's Okay Rules' which allows for players to tee it up from anywhere, throw it out of the bunker and not count shots if they swing and miss!

Grandparents and parents play a vital role on the day too, having a role as caddy or just being there to show their support and let the kids play.
