

Paddy's Prattle 21 July

Just a quick write up this week because I'm on my hols.

Last Saturday we had round 1 of the three round DCL cup and leading the way at the start are Brent McAbe and Brendon Davidson who both shot net 65's, with Davo shooting a gross 70, two under for his. Can these boys continue their good form over round two and three? Not sure about Brent but Michelle Davo told me that Brendon has got a history of peaking too early. I guess we will have to see. All of the chasing pack will hope she is right. The next two weeks are both DCL cup rounds and RMF Silva cup point scorers as well.

We also had another instalment of the Tub Cup. Long time holders Paddy and Perry didn't hold back and had a dig at the President Cup finalists from two weeks back Lucas Mc and Jase Overend. A fast start from the 2 P's saw them jump into an early 2 up lead. This was pulled back by halfway. Then a nip and tuck game ensued, with Lucas and Jason's superior fitness getting them home 2 and 1. Another game will be on this Saturday so look out for a shoulder tap.

Finally, entries are coming in for the quiz, but we could still do with some more. Please put a team together and contact myself or Pam. It's gonna be a good fun night.

Thanks for now, Good golfing.

Many thanks,
Paddy Bradford
