

Ashburton Golf Club

All eyes at the club are focussed on the Harvey Norman Classic which is coming up next weekend 14th and 15th. The field is full, we have the best format, we have Kai for kids ready to serve up wonderful treats and the bar will be fully stocked. All we need now is the weather to play ball.

It's going to be another amazing weekend. What I would like to ask of members is if they can spare donations to put on the raffle table please then that would be amazing. If you have a spare bottle of something or a box of choccies that you really shouldn't be eating, just bring them down to the club and we will help you out. You can leave things with Pam or Matt please, thanks so much.

First up before all that, this weekend is Waitangi weekend so it must be time for the Gordon Blacklow Trophy. Peter and the boys as well as a very big field will be down at the course to celebrate and remember one of our club legends. Come along and join in, the game is an individual stableford. You will have to be at your best to snaffle a prize, because usually Peter, Tom or Will come along and shoot the lights out, in honour of dad and grandad. It's always a great day, see you there.

Just like me it's short and sweet this week.

Good golfing

Many thanks,
Paddy Bradford
