

27 July 2021

He has been knocking on the door over the last few weeks and eventually Men's Captain Terry K kicked it down with a great score of 85 points in the Irish stableford played on Saturday. He finished up 8 points clear of Blair Snowball in second place and a further 3 in front of Noel "It's the way I tell em" Sutton. These boys also pick up big points for this year's RMF Silva Cup giving their chances of a top 30 finish and a place in the finals series a major boost.

This Saturday we have round 1 of the Brandon Cup, which is a 3 round stableford competition over the next 3 weeks. Best combined points over all 3 rounds will pick up the trophy. All the rounds are RMF Silva qualifiers as well, so you can give your score a great help over the next few weeks.

On Sunday, all our pennants teams are in action. The scratch Holmes teams are down in North Otago where our number 1 team will face the hosts and our number 2 team play Temuka. Two nailed on wins there, I am sure! The high-flying Redpath team, hopefully keep Davo warming the bench when they travel to Levels to take on Tinwald. Captain Dave and his Alex boys are playing Gleniti at Mayfield which will be a tough ask. Finally in the Patterson grade both teams are at Pleasant Point. Tom and the Vision Insurance pups are taking on a much weakened Temuka team and anything less than 15 points will be deemed a loss, and Captain Arkwright will lead the struggling old dogs against a very strong Mayfield team. I think the thought of locking horns with Harley, Big grizz, Kingsize and all the Mayfield monsters has put the fear of god into the old dogs, as I have never received so many call offs. It got that bad that I even had to give Perry a shout. He should be fine though as there are no bunkers on the Point course.

Results and stories next week. Good golfing.
